

F-2013-00274 - Number of foetal reductions carried out in UK clinics from 2004 to 2012

15 November 2013

Summary of request

The Authority was asked for the number of multiple pregnancies that were actively reduced from 2004 to 2012.

HFEA response

The number of foetal reductions carried out in UK clinics for the years 2004 to 2012 has been requested. Please find this data in the table below.

Year	Reductions
------	------------

2004	18
------	----

2005	11
------	----

2006	16
------	----

2007	12
------	----

2008	25
------	----

2009	21
------	----

2010	23
------	----

2011	25
------	----

The HFEA carries out a regular verification process in which it, in partnership with the sector, verifies the data in its register. This has not yet been completed for the year 2012 and so data for this year has not been included.
