

F-2016-00091- IVF outcomes for women aged 50 and over

3 May 2016

Summary of request

The Authority was asked for the number of pregnancies and births that resulted from IVF treatment to women aged 50 or above.

HFEA response

Please find the requested data in the attached spreadsheet.

Please note that the HFEA can only provide data up to 30/06/2015 for treatment and data up to 30/06/2014 for outcomes, as this is the latest date for which we have verified information.

This data was extracted from the HFEA's data warehouse containing Register data as at 22 April 2016. Please note that the information in our database may be subject to change as licensed centres notify us of information that updates or corrects information they have previously supplied.
