

F-2016-00135- number of babies born from donated embryos

16 May 2016

Summary of request

The Authority was asked for information regarding the number of babies born from all cycles (fresh and frozen) using donated embryos for the year July 2013 - June 2014.

HFEA response

I can confirm that the number of babies born from donated embryo between 01/07/2013 and 30/06/2014 is 38.

Please note that the HFEA can only provide data up to 30/06/2014 for outcome data, as this is the latest date for which we have verified information.

This data was extracted from the HFEA's data warehouse containing Register data as at 15 June 2016. Please note that the information in our database may be subject to change as licensed centres notify us of information that updates or corrects information they have previously supplied.
